*“Tell them to use their money to do good. They should be rich in good works and should give generously to those in need, always being ready to share with others whatever God has given them. By doing this they will be storing up their treasure as a good foundation for the future so that they may take hold of real life.”*

## Workshop Description

The Wisconsin United Methodist Foundation and the Minnesota United Methodist Foundation present Rev. Clif Christopher of Horizons Stewardship Company to help United Methodist congregations and clergy gain knowledge and skills to achieve their financial goals. Rev. Christopher's biblically sound approach to stewardship makes each church feel good about stewardship and giving in the church. This workshop will help you learn new ideas for your congregations. We encourage pastors, finance committees, church council members, treasurers and financial secretaries to attend Rev. Christopher's presentation.

## Workshop Leader

Rev. Clif Christopher, an elder in the Arkansas Conference of The United Methodist Church, founded the Horizons Stewardship Company in 1992, following a career in pastoral ministry

and stewardship consulting. As pastor, he led six major building and eight capital campaigns in churches from 350 to 2,000 members. As consultant, he has led consultations in over 200 churches in all phases of building, finance, and church growth. He is a certified church growth consultant and Certified Fund Raising Executive, and has been awarded the National Circuit Rider Award for outstanding leadership in developing vital congregations.
