Church Mortgage Loan Program Celebrates Year of Success

The Foundation loan program has completed a very successful first year. To date, we have recorded eleven loans for a total of \$4,080,266. Churches that have refinanced their mortgage loans with the Foundation have reduced their interest rates by as much as 2.05%. In total, these churches are saving over \$60,000 in annual interest payments!

We are also in the process of servicing two construction loans. It has been exciting to watch these projects develop and share in the vision of the congregations.

We continue to see an increase in the number of churches that are investing in the Loan Pooled Fund. These investments fund our mortgage loans. We invite you to participate in this mission opportunity to invest in your fellow churches of the Wisconsin Annual Conference.

We encourage you to consider the Foundation's loan program for refinancing your current mortgage loan, or for your future needs. Our loan process is designed for churches, and offers low interest rates and flexible terms.

Our goal is to help **you** save money! Please call the Foundation office, toll free, 1-888-903-9863 and visit our website, www.wumf.org for updated information on our interest rates.

Are your children and grandchildren protected by a will and estate planning?

Did you know that 7 out of 10 competent adults do NOT have a current and valid will in place at the time of their death?

If you don't have a will, one of the critical issues that will be decided by the courts – not you – is the guardianship of minor children. You can draft a simple will that nominates the guardian of your choice.

If you don't have a will, your estate will be distributed according to state law – and not in accordance with your wishes.

A will gives you the ability to pass along special items to particular individuals. It also allows you to remember friends and relatives in addition to your immediate family. And, by including the church in your will you make a final, ultimate faith statement to your children and grandchildren.

Have you taken the time to write a will? If not, consider making that one of your gifts to your family this Christmas.

For a copy of our brochures, “Answering Your Legal Questions About Wills and Estate Planning,” “Giving Through Your Will” and “How to Make a Will that Works” call 1-888-903-9863 or email us at wumf@wumf.org.

Don't leave your children holding just presents and empty wrapping paper this Christmas! Give them the security of knowing you've cared for their future as well. Draw up a will today!

Opportunities abound for “Year-End gifts”

Have you considered giving an extra special gift to the church this Christmas? As you “make your lists and check them twice,” how will you give thanks to God for the ultimate gift we celebrate in the birth of Jesus?

The wise men brought gold, frankincense, and myrrh. What will we offer Jesus this year? Consider a special gift of your time or talents. Or how about a special treasure – cash or a gift of stock?

We invite you to consider a special year-end gift to your church to help meet your connectional giving goal through our apportionments. This gift is one that will literally spread the love of Christ throughout the world.

Or consider a special year-end gift to support a building project or a new program ministry in your congregation. Year-end gifts are in addition to our regular tithes and offerings.

If you'd also like to make a gift to a permanent fund that keeps on giving through a particular ministry, we can help. The suggestions we offer include:

Red Bird Mission Scholarship Fund

Helping the promising Red Bird graduates

Minister's Insurance Memorial Fund

A gift which says we remember

Seminarian Scholarships

A gift supporting pastors-to-be

Grants Fund For Creative Ministries

Providing seed money for new and creative ministries

Bishop's Relief Fund

A gift allowing the Bishop to reach out to special causes and needs

Samaritan Grant Fund

Helping People and Places in Wisconsin

Permanent Administration Fund

A gift that provides stewardship training

The Wisconsin United Methodist Foundation is one of the strongest voices of stewardship education in Wisconsin today. We go "anywhere-anytime" to meet with lay individuals, church groups and church-related institutions. Earnings from this permanent fund increasingly give us the freedom to continue a very special ministry to Wisconsin United Methodists.

Your Own Special Interest

If you'd like to choose a specific congregation or another project or mission within the life of the United Methodist Church, just tell us your wishes. We will send you a receipt and forward your gift to the designated recipient!

Please call us for more information on year end gift-giving options.

And, have a blessed Christmas!

On Giving

From the Foundation President's corner

We are in the season of Thanksgiving. It's easy to limit Thanksgiving to a day of feasting, a week of deer hunting, or the first big weekend of Christmas shopping.

Thanksgiving, however, is much more than a momentary observance ... it **should be a continuous attitude of life**. Psalm 100 points the way for us:

*Make a joyful noise to the Lord,
all the lands come into God's presence with singing — enter
his gates with thanksgiving — for the Lord is good!*

I invite each of you to use this harvest season of 2003 to launch an attitude of thanksgiving, which continues through every day of the rest of your life.

- Consider making a "Year-End Gift" to your church, a favorite mission project, or an outreach ministry. If you have appreciated stock, we can help you make a commission-free stock gift to accomplish your goals.
- Consider writing or updating your Last Will & Testament to reflect your attitude of thanksgiving. Remember to share your accumulated blessings with the world. Don't limit your generosity to next-of-kin.

- Step up toward tithing. Tithing automatically balances your life-style.
- Remember that we are all stewards and not owners. Everything that comes into our lives is a test. Attitude makes all the difference in how that blessing is used, invested, or spent.

The Wisconsin United Methodist Foundation staff is ready to help you plan a strategy of thankful sharing. That's why we are here.

***Wishing you the very best during this
Thanksgiving season ~***
