

Financial Tools for Stewardship Overview

Stewardship is the careful and responsible management of something entrusted to one's care. Those entrusted with the care of church finances and stewardship need the right tools for the job.

The information provided in the Stewardship KnowledgeBase provides tools for developing and using a budget as well as for helping congregations grow in giving.

Among the Stewardship tools are:

- Electronic Giving (See KnowledgeBase Topic #4)
- Church Financial Analysis Questions
- Step-Up Chart
- Percentage Giving Chart

Among the Finance Team tools are:

- Budget Percentages
- 5-Year Giving Comparison with Percentage (Spreadsheet)
- Local Church Audit Guide (UMC)
