PROCESSING OF SECURITY GIFTS – INSTRUCTIONS FOR DONORS

Donors wishing to make gifts of appreciated securities to their local church must begin the process by calling our office toll-free at 1-888-903-9863.

Please note:

The financial institution delivering your security to us **does not** provide us with the detailed information that is on page #3 the Security Transfer Form nor will they *share any of your personal information with us. If you do not inform us that you are initiating a security transfer, we will not be aware of who the donor is, or which United Methodist Church or ministry should receive your gift.* **Therefore it is very important that you notify us by placing a phone call, faxing or mailing a copy of the completed Security Transfer Form to us at our contact information above.**

Through our special relationship with our broker, Robert W. Baird and Company, we are able to transact these gifts at no commission, leaving higher proceeds for your church. The Foundation will sell your gifted shares and will issue a check to your local church for the full amount of the sale. The Foundation does not attempt to “time” the sale of your stock in a fluctuating market. Shares are sold as soon as we are made aware that they have been received into our account. We will provide donors with a properly executed gift receipt for tax deduction purposes.
